H..HVVH?!

Wh..
What is that..?

That day,
they found a new world

Like when mankind first found fire...

.....bllh...bllh...

Feed my heart..

Old man...
Just what are we
seeing right now...

The starting point for mankind's new takeoff.

But they did not know then.

That the cogwheel that would change the world

Did not turn

In just one direction...

*10 years
afterwards...*

Multinational Maritime
New City.

"Nif" (Nil-neo industrial land)

The slums, Area 3

*Hey, did you
find them?*

*I don't see them.
I think they already
escaped far away.*

*What are
the security
guards doing!!*

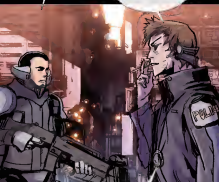

*They died with
the criminals during
the fight.*

*The other 2 criminals
managed to grab the
goods and escape.*

*What happened to
the "Doll Removal"
team?*

*They said
they were being
deployed...
But...*

Isid They get paid
the most but are
always the slowest.

Did you contact
the freelancer
mercenaries?

*They were
mobilized to our
location 10
minutes ago.*

It's a very
dangerous item.
We **MUST** get it back!

DAMN IT...
HOW MANY TIMES
HAS IT BEEN THIS
WEEK!

CANYAS THE AREA
AGAIN. THE CRIMINALS
MAY HAVE LEFT SOME
CLUES BEHIND.

Hu...uh...

Gasp...

Gasp gasp...
They all probably
went after the
other guy. Idiots.

Gasp...gasp

Hehe... They wouldn't
dream that I would
be hiding close by...
Gasp gasp

I'll stay holed up here
until it gets quiet...
Gasp gasp...

Kekake,
I finally got my
hands on it.

A CRYSTAL!

WITH THIS I COULD
GAIN SO MUCH POWER
NO ONE WOULD BE ABLE
TO BOTHER ME.

I wouldn't touch
that if I were you.

그것은 아니라고
당신은 생각합니다.
That's not what
you think it is.

If things go wrong
you could change into
something not human...
만약 상황이 잘못
되면 당신은 인간이
아닌 무언가로 변할
수 있습니다.

OVER-ALERT

Tee hee.

SMASH

If you make a choice,
you need to suffer
the consequences.

A...P...Poll...

IT'S A DOLL!! GET THE
NEUTRALIZATION
AMMUNITION!!

DON'T MOVE!!

Man, I thought we would
be able to watch a fight,
but it's over already.

A man shouldn't whine...
Today is a protection
detail. Don't lower your
guard and remain alert.

It's nice to meet you.
I'm the "Doll Remover"
team's leader...Marida.

Here... the item
I got back...

He ignored.

He coolly
ignored you and is leaving.
What a man!

Stout...
Numb...

Tired... I want to go home
and rest. My dark circles
are getting so low...

Hey. Mr. Mercenary!

EH?

STAG 00418

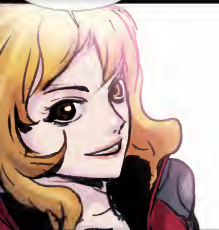

Compensation
for the hunt.

It's a bit much for
compensation...

Think of it as a gift.
And...

There'll be a time
when you need it.

.....

I'll gladly accept
what was given.

It's unlike you to
show this strong of
an interest.

I'm intrigued.

Beside his good fighting
skills, he seems like a
normal mercenary...

Did you see something
we missed?

I'm not sure yet. I need to
observe him some more.

No name. No age.
Nationality guessed
to be Korean.

Nicknamed "Crazy Dog"
because when he hunts for a doll,
he fights like a crazy dog.

His fighting skills are
top class, but his
abilities are unknown.

He's a mercenary and
cook at the new
mercenary café "Dawn."

Cook... I'm curious what
his cooking tastes like.

It may be best not to...
Those who've tasted the
food never go back.

Hahaha~ To use a guy like
this, does the cafe want to
go out of business.

Crazy Dog...
The more I hear the more
I'm intrigued by him.

Our leader is
interested in a guy.

Hohoho Shall I tell you
his physical sizes?

No thank you.

Or his phone number...

Please stop joking.

Ah! Looking at you blushing,
do you really have an
interest in him like that?

FOR REAL!!!

SFX: PUNCH!

Leader! We've nailed down the 2nd criminal's whereabouts.

It's a fight!! I'll beat up that thieving bastard!

No. Please let that mercenary finish things up.

Ack!
To lose a battle to a mercenary!

I'll dispatch the hunter so tell the tracking team to be ready.

We'll also be on location watching.

is there a need to use
the mercenary? We could
easily finish this up,

I know it, our leader
has special interest in
that mercenary..

*A man
shouldn't matter!
My head hurts!*

It's my
fucking head!

I want to confirm
something ..

about that
mercenary.
